

## MOBILE DEVICES

1. Mobile devices are permitted but Members and guests are encouraged to activate privacy mode (silent or vibrate) for the courtesy of others.
2. Members and guests are encouraged to take their mobile device with them in case of emergency on the golf course. Device volumes should be adjusted so as to avoid being a distraction to others.
3. Prolonged conversations or frequent utilization of personal communication devices have been identified as a potential contributor to slow play. Members and guests are encouraged to minimize these distractions as much as possible.
