Board Meeting and Course highlights:

It's been a relatively quiet winter for the Board and the various Committees. It's a welcomed break which allows us to recharge our batteries as we prepare for what we believe will be a busy upcoming 2024 golf season.

Financially we start the year in a sound position. Our 2023 year end financials have been sent to our Auditor and the 2024 Business Plan was approved by the Board at the February meeting.

Course and Grounds are preparing for our opening. Carts have been thoroughly cleaned, equipment repaired and new equipment has been purchased. It appears that most of our employees from last year will be returning to keep the course in optimum condition. The Committee continues to be in discussions with the land developer which allows for a collaborative relationship between the developer and TVGC.

Kelly is preparing to get the Royalite Grill operational and staffed for our opening which we hope will be sooner than later. She is hoping to have most of the food and beverage staff return.

If you've been to the simulator over the winter you will see that Cory and Rene are getting the Pro Shop up and running. New equipment and clothing is arriving daily and will be set up and displayed for our opening.

Leagues are open with the majority being full already. If you haven't already done so, please register for the league of your choice.

Our website continues to be upgraded. Please be patient with us as we work through the kinks.

We will be resurrecting Adopt a Tee Box this season. This is where Members are assigned a tee box to clean up the broken tees. Not only is this esthetically pleasing it helps the Course and Grounds crew when cutting and maintaining the tee boxes. We will have the tee boxes assigned by the start of the season and will communicate at a later date.

Did you know? The TVGC will be 100 years old in just 6 short years! How would you like to celebrate this achievement? Start giving this some thought. A committee will be formed closer to the time to look for your input.

It's time to get those clubs cleaned up for an anticipated early opening. Stay tuned.

“You have fits of rage, followed by temporary spells of euphoria, all within several hours. Are you, by chance, a golfer?”

A Message from the President, Tracy Bertsch

This section will remain blank until the start of the 2024 season.

A Message from the General Manager, J.D. Scheller

This section will remain blank until the start of the 2024 season.
