The Course

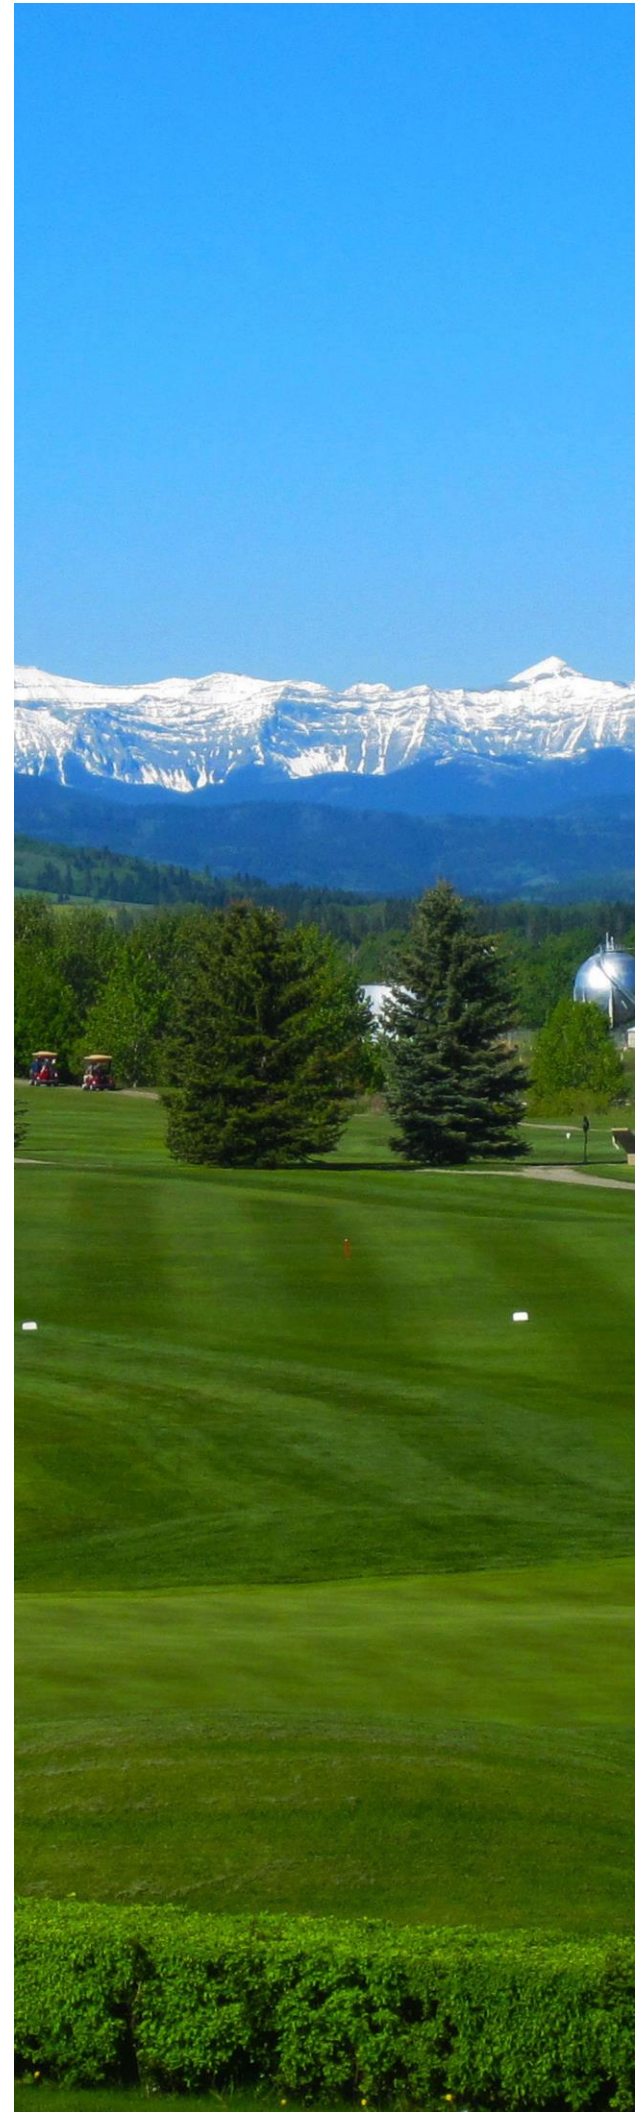

The Turner Valley Golf Club dates back to 1930, when it was created by the employees of Royalite Oil, the company that was responsible for the development of local oil reserves. Originally a 9-hole course with sand greens, the Turner Valley Golf Club now boasts an 18-hole layout that spans between 4100 and 6800 yards, depending on which of the 6 tee options you choose to fit your game.

The course is characterized by its challenging and tree-lined fairways with small, well protected greens, all amongst breathtaking views in the shadows of the Rocky Mountains.

Our club offers a full-service Pro Shop, featuring all the latest in hard goods and the newest fashions in merchandise. Our Pro Shop team will provide you with excellent customer service and product knowledge.

The Royalite Grill is a fully licensed Restaurant and Outdoor Patio with stunning views of the Rocky Mountains. Embrace our peaceful atmosphere while enjoying a great meal and great service.

The Turner Valley Golf Club is the perfect solution for your tournament. We will do our utmost to exceed your expectations and provide you with a memorable golf experience.
