The winners of each match are responsible for reporting the match results. In the case of a tie both teams are responsible. Please email or text a copy of the scorecard to [shelleypaiement@gmail.com](mailto:shelleypaiement@gmail.com) or 403-585-6575. Needs to include the first and last name of each player and total points for each team.

## **Handicaps**

Scores will be used for handicap purposes; therefore, all four scores must be recorded. However, if a player is out of the hole, she should pick up and record her maximum to speed up play. Team Challenge scores do not need to be entered as a tournament score as per the TV Handicap Committee

Handicap maximum on each hole is net double bogey. Net double Bogey = Double bogey + any Handicap strokes you received

Example: If you take a 9 on #1 and get 2 strokes on that hole then your make will be an 8

**Double bogey 6 + 2 handicap strokes.**

When calculated your handicap maximums, you use your full handicap not the 90% used in the match.

It is important as well to keep your RGCA handicap scores up to date and enter ALL your golf games in a timely manner.
