# The Course

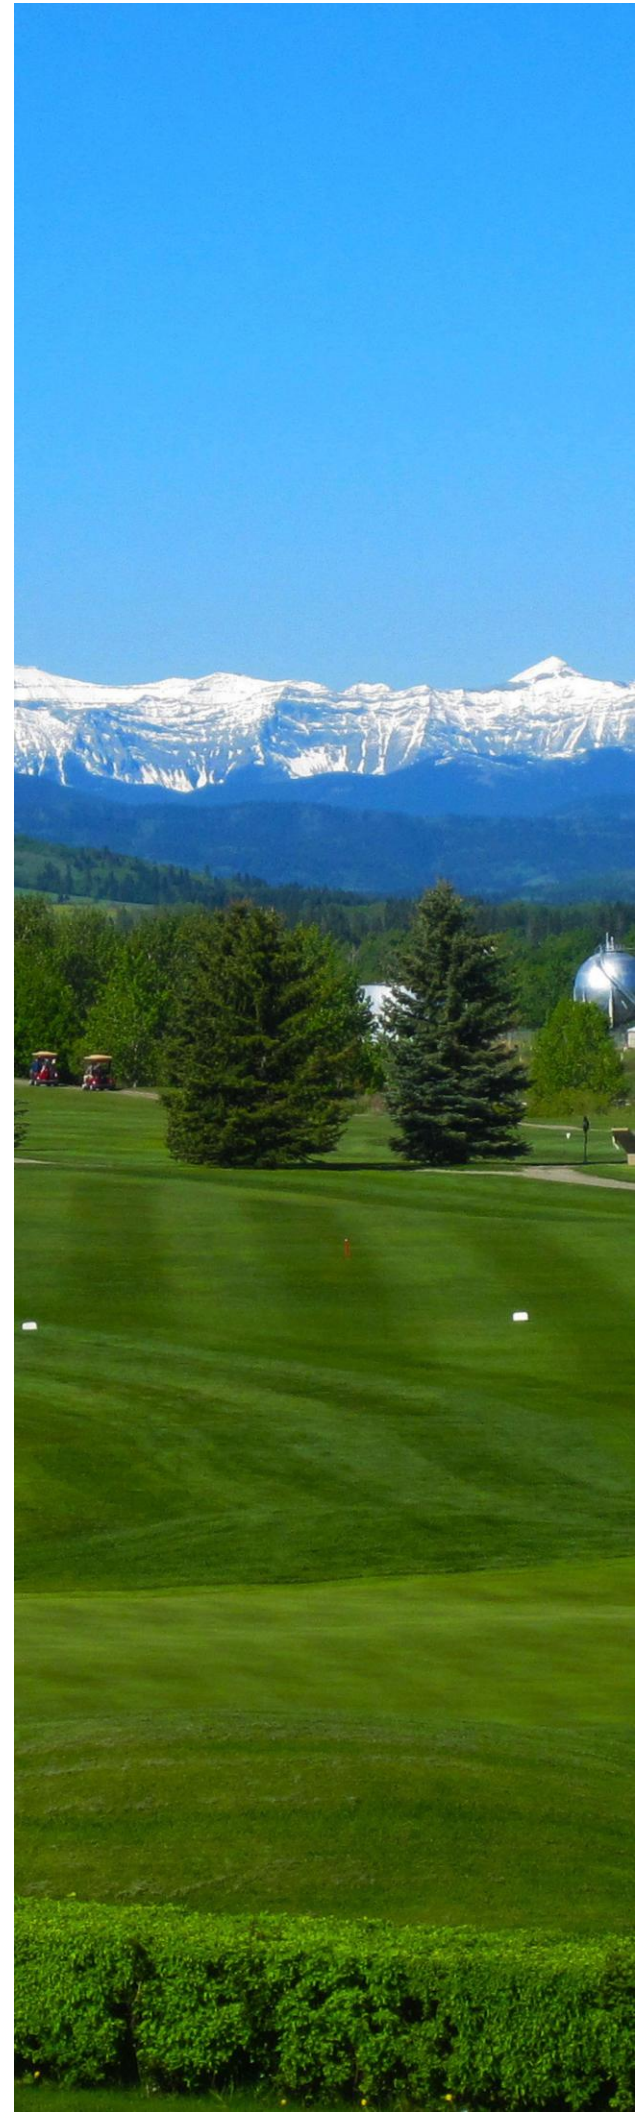

The Turner Valley Golf Club dates to 1930, when it was created by the employees of Royalite Oil, the company that was responsible for the development of local oil reserves. Originally a 9-hole course with sand greens, the Turner Valley Golf Club now boasts an 18-hole layout that spans between 4100 and 6800 yards, depending on which of the 6 tee options you choose to fit your game.

Located right next to the Sheep River, the course is characterized by its beautiful tree-lined fairways, well-protected and modest greens, and breathtaking views of the Rocky Mountains.

Our club features a fully stocked Golf Shop showcasing the latest equipment from golf's leading club manufacturers, along with top apparel brands. Our team is dedicated to delivering exceptional customer service and expert product knowledge to ensure you find exactly what you need.

The Royalite Grill is a fully licensed Restaurant and Outdoor Patio with stunning views of the Rocky Mountains. Embrace our peaceful atmosphere while enjoying a great meal and great service.

The Turner Valley Golf Club is the perfect solution for your tournament. We will do our utmost to exceed your expectations and provide you with a memorable golf experience.
